# ABOUT BBBS

At Big Brothers Big Sisters of Acadiana, our mission is to **create and support one-to-one mentoring relationships that ignite the power and promise of youth.**

Our agency operates under the belief that inherent in every young person is the ability to succeed and thrive in life. At no cost to the families we serve, we unite young people (Littles) with caring, positive adult role models (Bigs) in **professionally-supported 1-to-1 mentoring friendships.** These relationships provide Littles with the tools they will need to overcome the adversities they face and develop the characteristics they need for academic, social, and economic success.

Big Brothers Big Sisters of Acadiana is entering its 37th year serving youth and **empowering the next generation in our community.** We believe that every youth, with the right support, can reach their fullest potential. Our outcomes-based 1:1 mentoring model is designed to bridge the opportunity gap in Acadiana by meeting kids where they are and empowering them to transform their lives and their communities.

## WHY SUPPORT MURDER MYSTERY DINNER THEATRE?

Big Brothers Big Sisters of Acadiana is a **free and effective resource for youth and families in Acadiana.** 100% of our operating budget comes from donations, grants, and funds raised through our signature event, Murder Mystery Dinner Theatre. This event makes **thousands of mentoring hours** possible between Littles and volunteer Bigs every year.

Sponsorship of Murder Mystery doesn't just offer a return on investment for your company or business; it also provides a substantial return on investment in our community. By uplifting youth in Acadiana, our impact reverberates throughout society as a whole. We support Littles into young adulthood by championing the importance of **enrollment, enlistment, or employment,** giving them an avenue to achieve their long-term goals and providing a stable pathway to their future success. We are proud to say that **92% of our Littles expect to graduate from high school and attend college.** Our success yields resilient kids, strong families, and healthy communities. **Join us as a Defender of Potential and a Murder Mystery Sponsor!**
